Dear Parishioners,

PLANNED GIVING ENVELOPES FOR 2021-2022 FINANCIAL YEAR are now available at the back of the Church (school end of Church)

Please take yours home with you today. My many thanks to those who give so generously to the support and financial well-being of the Parish.

As you may remember, last year we streamlined the Boxes of Envelopes and re-sorted them, so please use only the current year's Envelopes in your Planned Giving donations (Credit Card donations remain unaffected)

Donations for this current FINANCIAL YEAR 2020-2021 end on Sunday 27 June. NO CWF Tax deductible Contributions can be accepted after that date to be included in this current F.Y. Please make sure any Tax deductible donations are received at the Office before that week-end.

OUR PARISH MEMORIAL GARDEN is going well with plaques and the Ashes of your deceased loved ones buried in the earth near the plaque. It is a place blessed by Cardinal Pell years ago and at this stage is far more economical and probably more appropriate for our parishioners and family to be in this holy place. To discuss, phone Kerry (Parish Secretary) 9525.1138. Present cost, including the plaque, is \$500 per plaque/position. Purchase in advance as places are limited.

MEMORIAL GARDEN APPLICATION FORMS WILL BE AVAILABLE FROM THE PARISH WEBSITE (under Parish News section) after this week-end BUT forms and payment must be handed in at the Office where a receipt issued and PLOT numbers allocated.

MORNING TEA INVITATION: Woronora Memorial Park (Cemetery) invites members of the parish to tour the Cemetery followed by a morning tea. Thursday, 8 July from 10:30 am to 12:15 pm **BOOKINGS ARE ESSENTIAL** as there is limited numbers to 10 under COVID.

Email: anita.kenny@smcnsw.org.au or call/text 0434.854.891.

It is essential to provide your full name, email address if applicable and contact numbers. RSVP BY 5 July 2021/ See brochures on the windows of the Church and also our HOME PAGE on the Parish website.

SOUTHERN METROPOLITAN CEMETERIES NSW: There is a survey that parishioners are invited to conduct as they research the social and sustainability issues which affect our cemeteries and crematoria.

"We want to understand the different perspectives on the following:"

- ⇒ the memorialisation of the deceased
- ⇒ forward planning for funerals, burials and cremations
- ⇒ urban cemeteries as multi use communal spaces, and
- ⇒ the sustainability of cemeteries and crematoria into the future

"These insights are crucial as our cemeteries and crematoria develop strategies to address the challenges presented by an ageing and multicultural population, land shortages, and environmental concerns.

Your insights and feedback are so valuable, and we hope you take the time to participate in this unique piece of research."
